OUR CURRENT HYGIENE RULES:

We are delighted to recommence our training sessions and welcome you back at BMW Motorrad Enduro Park Hechlingen. The implementation of our training operations is subject to certain conditions and restrictions which we would like to briefly explain in this information sheet. **Please take the time to carefully read through the following information.**

Only if we all stick to these requirements, will we be able to ensure the continuation of training operations.

1. From now on, the **3G+ rules** must be complied with in order to participate in the training, which means:
 - **Vaccinated** (please provide proof)
 - **Recovery** (please provide evidence)
 - **Tested with PCR test only** (here applies: the PCR test must not be older than 48 hours, and in case of a 2-day-training, it must be ensured that it is still valid on the 2nd training day).
Please bring the relevant proof with you to check-in - preferably in digital form.
2. If possible, please come to the BMW Motorrad Enduro Park Hechlingen directly in your protective motorcycle gear or change at/in your vehicle.
3. Currently, there are **no shower facilities** offered at the park after training.
4. The serving of drinks is currently only allowed within the scope of the statutory provisions.
5. You must bring along a face mask - **FFP2 mask** - and wear it whenever required.
6. Please follow the instructions of our team and observe the signs provided on the site.
7. Always stay 1.5 m away from others.
8. If possible, come alone **without** companions.
9. Check-in opens at 08:00 a.m. – waiting periods may occur – **training starts at 09:00 a.m.**
10. Please observe the general hygiene rules.
11. We are currently not able to offer any of our customary evening events (2 days training) - further information will be offered on-site.

Important note

We would like to raise your awareness to judge for yourself and refrain from taking part in a booked training session, if any of the following points (one or all) apply. In this case, please contact us by phone (+49 (0)8334/989 33 11):

- Have you visited an officially declared risk area during the last two weeks before the booked session?!
